

MD. FAHIM KHAN

BIOGRAPHY

Energetic .NET developer with 1.5 years experience in designing web and enterprise application with involvement in end-to-end software development. Adept at programming and implementing scalable functionality and high-performance features using Object Oriented design and SOLID design principle to create flexible N-tier applications meeting user needs. An enthusiastic team player and deep creative thinker.

EXPERIENCE

ASSOCIATE SOFTWARE ENGINEER

Brain Station 23 (August,2019-Present) -Mohakhali, Dhaka.

- Platform - ASP.NET Core 1, MVC 5
- Visual Studio v2017(C# , .Net 4.6.2), Sql Server 17
- Analyze available information applying experience and systems knowledge to diagnose problems and identify solutions to meet user requirements
- Making RESTful API with Web API, Writting complex Query, Store Procedure.
- Reporting usingCrystalReport v13, RDLC v12, HTML-Js Reporting.
- Developing .net Windows Service to execute schedulable tasks.
- Superior expertise in AJAX, JavaScript.
- Participated in system specification meetings, analyzed user requirements, coordinated with coders and team members.

JR. SOFTWARE ENGINEER

Mindfork Tech Ltd (October,2018- July,2019) - Gulshan Avenue, Dhaka.

- Platform - ASP.NET Core 1, MVC 5
- Visual Studio v2015(C# 6.0, .Net 4.6), Sql Server 2012
- Making RESTful API with Web API, Writting complex Query, Store Procedure.
- Making project basic structure from scratch based on Design Architecture.
- Writing Reusable libraries.
- Reporting using RDLC v12, HTML-Js Reporting.
- Exception handling, Support developers in bug fixing.
- Analyze Database specification and simplify.
- Superior expertise in AJAX, JavaScript.
- Making Minor Plugins in nopCommerce.

WEB DEVELOPER (INTERN)

Tamana (January, 2018 - March, 2018)

- New Delhi, India.

- Platform - Laravel 5.4, PHP 5.6, MySQL (Completed 3 Projects)
- Designing responsive websites and web application user interfaces.
- Analyzing requirements with the clients.
- Contributing some back-end experience, collaboration on APIs and more
- Maintaining software workflow management with a project management tool like github.
- Testing the site during development for usability and fixing any bugs
- Integration of back-end into front-end.
- Training clients to use panels and CMS.

COMPUTER EXPERTISE

BASIC

•Sql •Android •Python

ADVANCE

•C++ •MySQL •Swift •Angular •CSS •NodeJs

INTERMEDIATE

•C# •ASP.NET •PHP •Ajax-HTML-Js

PROJECTS

ASP.NET

- University Management System - WebApp - C#, ASP.NET, Code First
- Online Attendance System - WebApp - C#, ASP.NET WebForms
- Police Evaluation Software - Webapp - C#, ASP.NET MVC 5
<http://pes.police.gov.bd/>
- Sneaker Pimp BD - E-Commerce - C#, ASP.NET, nopCommerce 3.9
<http://www.sneakerpimpbd.com/>
- Point Of Sale - Restaurant POS System - C#, ASP.NET MVC5
<http://demo-pos.mindfork.net/>

PHP

- Live Stream Music - Website - Php, Html, Js, Ajax, jQuery
- Collabs - WebApp - Laravel, Bootstrap
- Admin Panel & Online Enrollment System - Laravel, Bootstrap
<http://kidstimebd.com/enroll/>
- For Photographer - Webapp - Laravel, Bootstrap, AngularJs

C#

- Gadget Solution - Desktop Application - C#, .NET

JS

- Interactive Movie Stream - Website - NodeJs, Socket.io, Bootstrap

IOS

- Calculator - Swift 4, Xcode 8
- Music Player - Swift 4, Xcode 8
- Call Recorder - Swift 4, Xcode 8
- Stopwatch - Swift 4, Xcode 8

EDUCATION

- B.Sc.** American International University-Bangladesh (2014-2018)
- Computer Science and Engineering
- H.S.C** Notre Dame College, Dhaka (2011-2013)
- Science
- S.S.C** Barisal Zilla School, Barisal (2003-2011)
- Science

ACADEMIC RESEARCH

- Thesis on "**Forecasting the Stock Market in Bangladesh using Artificial Neural Network Models**" Under supervision of MD. MANZURUL HASAN, Asst Professor of AIUB and Co-Supervision of SAJIB HASAN, Asst Professor of AIUB.

CERTIFICATION

IT ESSENTIALS

- CISCO Network Aacademy (AIUB)
- Computer operating, System Analysis, Internet Security

LEADERSHIP DEVELOPMENT

- AIESEC-Delhi IIT, India
- Global volunteer, Organizing, Workshops

APPRECIATION

- International Model United Nation, Bangkok, Thailand
- Delegate for IMUN 2018 comitte of United Nation Environment Program

IOS DEVELOPER

- ICT Division, People's Republic of Bangladesh
- Skill Development for Mobile Games and Application Program, IOS Batch

PARTICIPATION

- NDC Science Fair 2012 - Project Display
- CS-FEST 2K15, AIUB, 2015 - Programming Contest
- Hult Prize 2017 - AIUB Campus Selection (Semi-Finals)
- AIUB CS-FEST 2017 - App Showcase(Web) - Team Regen (Winner)
